MICHAEL W. DOBBINS  
CLERK, U.S. DISTRICT COURT

Judge William J. Hibbler

Dawayne Tolliver vs. City of Chicago et al.

Reconsideration for information only the court could obtain.

The Officers from 3340 W. Fullmore are from S.O.S. an Special Tact Team or something like that and only the Mayor Delay have those individuals names and badge No#. He also states you will have to subpoena the names of these Special Police Officers for their names, and star numbers of these Chicago Police Officer from 3340 W. Fullmore. The Mayor of the City of Chicago make that statement on National T.V. You would need an Federal Subpoena to request those individuals name of the Chicago Police Officer from 3340 W. Fullmore. Grand and Central one of their name is Detective Spano something like that, the city of Chicago haven't provide me any names of Police Officers
